

Smoke Alarm For Every Family Program

Your home could be eligible
to receive a *free* smoke alarm.

Fire departments across Manitoba are promoting the **S.A.F.E. Family Program** in their communities and are identifying homes that have the most at-risk citizens. By installing and checking smoke alarms in homes, residents and communities will be safer.

Contact your local fire department today
or visit www.manitoba.ca/safefamily.

Delivered in partnership with the Manitoba fire service.
